

## Sporting gesture for those in need

**SPORTEMBER:** Jett's Fitness has joined forces with Global Care's StorehouseONE for 'Sportember' to help sporting clubs and people experiencing disadvantage with funds and sporting equipment.

All seven Jett's Fitness centres on the Coast will donate to the Varsity Lakes Organisation.

Owner of Jett's Fitness Ashmore Christie Hernandez said the club had received overwhelming support from its members and the community, with quality equipment collected.

The 'Sportember' initiative was created by the Sports Rewards Foundation and is supported by ambassador former Gold Coast Titan Mat Rogers.
